Nov. 26, 1963, The F. B. I. took property and evidence which had been seized in connection with arrest of Lee Harvey Oswald, for assassination of President Kennedy, to their office in the Santa Fe Building. I accompanied the agents and property to the F B I Office, and I was present when Agent Warren C. ~~B~~-Bruy's checked each item, called the name of item and description off to their Stenographer, who typed the descriptions on Police Property room official invoice or receipt if its. On invoice sheet # 11132-G it showed they had picked up from the Dallas Police Dept: 1-Minox Camera- One Pedometer, -one Compass. One Hanse self timer, One lens 1. hood, One Fifteen~~X~~ power telescope, Wallensch, One Stereo Viewer, One pocket knife in leather container, A photograph, No. 375 not taken of the above articles.

At some time later, several weeks, an agent of the F B I came to the property room and referred to our invoice 11132-G and stated they did not get the camera as shown above, that they got only the Minox Light meter. He requested that I note on invoice 11132-G his statement regarding the Minox Camera. I do so note. I do not remember the name of the agent who came to the property room and made this request; I did not write his name down.
